Software and Datasets

Lexicoder, automated content analytic software developed with Lori Young and programmed by Mark Daku, is available at <http://lexicoder.com>. The Lexicoder Sentiment Dictionary (LSD) is available there, and is also directly in *quanteda*, an R package assembled by Ken Benoit. Older Canadian media datasets are available from the Media Observatory website at <http://snsoroka.com/observatory>. Early data from the Degrees of Democracy project are available at <http://degreesofdemocracy.mcgill.ca>. UK Budgetary data are archived with the UK Data Archive at Essex, SN 4980. Most recent datasets and do-files are archived through the Harvard Dataverse at <https://dataverse.harvard.edu/dataverse/ssoroka>, or on journal-specific sites. Other original datasets used in published work are available at <http://snsoroka.com> or available upon request.
